

We would like to introduce our partners **METARA**, manufacturers of (Pavers, Engineered Stones & Landscape Furniture) in KSA in association and partnership with **Metten Stein+ Design, Germany**.

Metara specializes in **high-quality pavers that are strong, dirt-repellent, stain-resistant and in multiple colors/textures that are aesthetically appealing.**

Metara also produces hard-scape furniture, benches, planters and car-stoppers.

Metara/Metten will introduce later this year EcoTerra Zero: **the first Non-Cement Pavers** with substantial reduction in CO2 emissions for environment-friendly projects.
